respected Sir
I wish to bring to your kind notice
an instance in which gross injustice is
done to an official who has put in a
long and approved service of 30 years
to the Mysore Municipal Corporation
and held a post in the Mysore Municipal
Department since 1924. He has served in
that department in various capacities
and as holding the post of Food In-
spector on a pay of Rs. 145/- for five
years prior to the date of his rever-
sion to the Mysore Municipality in
1954. It gives me pleasure to say
that he has rendered a meritorious ser-
vice in the department and as such is
deserving of very high reward. It
is a pity that instead of reward he
has been faced with reversion from a
post carrying Rs. 145 to one carrying
Rs. 50/- It is significant to note
that during the period of 12 years when
he has been in the Food Department
his life in the Mysore Municipality
has been long and steady. It was
without doubting him to his or posts
on the ground that but for his
long and meritorious service far

 scale of the Invoice Inspector to 30-3-30/E 3-4-100
 in the orders dated 17-11-1934 with effect from 1-1-1947, he
 is entitled to be fixed straight away in this new grade. All
 the amounts already paid on account of the intermediate
 revision and further claims to be paid will have to be deducted and
 the net amount of arrears due, if any, paid.

In this case, as the last test revision of the scale
 itself is very far-reaching to fix there seems to be no necessity
 to give him the benefit of further weightage, hence this
 rating is in the revised grade as regulated in accordance

FROM

Subject: Reversion of Sri M. Venkatesh from the
Food Supply Department to the Municipal Council
Munre

Ref: Your letter No. 1441 dated 14.4.55

When the verification of the service register of
the official recently received from the Municipal Council
Department in from the records referred to in the
above letter, statement of Sri M. Venkatesh in the service
register dated 1-1-1947 it is seen that Sri M. Venkatesh was a
permanent Assistant Market Sergeant in the Food Supply
Department in grade 70-1-1-2-50. His service
register was not available and previous service rendered in
other departments were not known, the question of his
promotion in the higher grade could not be decided. When
some of the vacancies occurred and the permanent officials
who were not all, who in future have been promoted. His
increment roll also were not being received from the
Department periodically. There is also a impression
that he was drawing a higher salary than he was
absorbed on that salary in the Food Supply Department and
he was not reverted also with all the other officials. If
these officials had been furnished and there was if
a permanent representation in question would not have
been considered and he would have been fixed up in a suitable
post according to seniority in service.

From the L P C received from the Food Supply Department, it is seen that he was drawing a pay of Rs 100/- there and not Rs 145/- as stated in the letter under reference. No doubt officials lent from other departments to the Food Supplies Departments were being paid higher pay but that cannot be taken into consideration as a matter of claim by the officials after reverting to their parent departments. When they were drawing higher pay, the dearness allowance was also paid at the increased rate in the Department.

He reverted to the Municipality on 1-4-1954 and on his reversion he represented ~~as~~ his case which was being looked into. In the meanwhile, he went on leave and has approached Government.

His seniority among other officials of the same category has been examined now with reference to their permanent salary and seniority of service. Considering all aspects of the case and without disturbing the several arrangements so far made from 1947 it is proposed to fix him in grade Rs 40-2-50 from 1-1-1947 as Toll Inspector and fix his pay at Rs 50/- from 1-1-1947 (with weightage) as against the scale of Rs 30-1-40-2-50 as Assistant District Sergeant and in which he had originally been fixed.

An extract from the proposed allocation statement is enclosed for ready reference. According to the proposed revision of his scale of pay he will be entitled to the salary as follows -

1 Minimum pay of the post Rs 40/- plus next higher stage pay of the official in the revised grade Rs 42/- Rs 42/-

2 Additional weightage according to Government order - 4 increments (for 24 years of service) at 2/- each

Rs 8/-

50/-

So his pay in the grade Rs 40-2-50 may be fixed at Rs 50/-

1-1-1947

Government having in their order No L 10128-9/OT 49-54-12

*Noting to
same for reference*

dated 17-11-1954 sanctioned the proposal of the Municipal Council regarding the revision of the scale of Revenue and other Inspectors of this Municipality fixing it at Rs 50-7-80-4-100 with effect from 1-1-1947, the increments accruing to the official from 1-1-1947 to 1-1-1955 will be as follows -

Pay fixed as above on 1-1-1947
(in the further revised grade of
50-3-80-4-100)

Rs 50/-

From 1-1-1948 to 1-1-1955 annual
increments at Rs 3/- per annum x
 $8 \times 3 = 24 (50 + 24)$

Rs 74/-

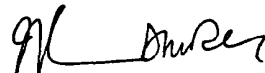

According to this his allocation may kindly
be fixed

A copy of the modified memo issued in this
behalf is enclosed herein

I request that sanction of Government may
kindly be obtained to the allocation fixed to the
official at Rs 50/- in grade Rs 40-2-50 as on
1-1-1947 and sanctioning increments from 1-1-1948
to 1-1-1955 at Rs 3/- each per annum in grade Rs
50-3-80-4-100

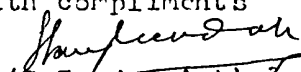

As this official was drawing higher salary
than this in the Food Department the question
of payment of increased rates of salary now fixed does
not arise. The arrears of pay due from the date
of his reversion from the Food Supply Department viz
1-4-1954 will be met out under 'Establishment charges'
in this Municipality

Sir,

Subject Reversion of Sri T N Venugopal from the Food
Supply department to the Mysore city Municipality

Reference Your letter No L 5182 dated 8-8-55

Kind reference is invited to my previous letter No C8 P R 83/54-55 dated 19-4-55 wherein sanction of Government has been sought, after examination of the representation of the official regarding the consideration of his seniority and promotion to higher grade, for fixing his pay in grade 50-3-80-4-100 from 1-1-47 with allocation duly sanctioned Increments that accrue year after year have also to be duly sanctioned as the claims are more than a year old The proposal has been examined exhaustively and approved by the Municipal Council at their meeting held on 27-7-55 I enclose a copy of the resolution No 453 dated 27-7-55 and request that orders of Government may kindly be obtained sanctioning the proposal.

There are no juniors to Sri T N Venugopal who were promoted permanently to a higher pay, prejudicing the interests of the official in question Some temporary or S P T promotions have been done in the interest of public work from among the existing incumbents during the period of absence of Sri T N. Venugopal on other duty on higher emoluments The fixation of pay of Rs T N Venugopal has not been properly dealt with during the years when he was in the Food supplies Department previously As the official did not reveal along with other officials, his case could not be taken up earlier

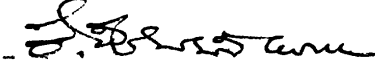

Inspite of the foregoing circumstances the claims of the official regarding his seniority and promotion have been duly examined without upsetting the arrangements so far made and as resolved by the Council (Resolution No 453 dated 27-7-55) it is intended to fix him on a pay of Rs. 74/- P.M with effect from 1-1-1955 in the grade pay of Rs. 50-3-80-4-100 after sanctioning him the increments due to him in the grade with effect from 1-1-47.

In the circumstances explained above early sanction of Government may kindly be obtained to the proposals of the Municipal Council. -

Yours faithfully,

(N Lakshman Rau).
Municipal Commissioner.

With reference to the Correspondence
relating with your letter no C & P. R
83/52-55 dt 17 8-55 On the above
Subject I am directed to state
that it is seen from the file of
papers that Su G. R. Venugopal
was appointed to act as Invoice
Inspector - On Rs 35/- in grade
302-40 w e f 3662 on
the Mysore Cty. Mty. while he
was holding this appointment -
he was transferred to the Food
Supplies Dept. w e f 12843000

He was reverted to his original
Principal Source W P J 14 1954
from the Food Supplies Dept.

In the meanwhile revision of
Scales of pay were ordered by Govt

It is reported that while he was
in Food Supplies Dept. he did not
get his increments sanctioned

It is not possible to deduce
the tenure in which Mr N Venugopal
held the appointment of the

Invoice Inspector in the Mysore

City Mf while he was on other duty
in Food Supplies Dept. in the absence

of the grade fixation list - it is not therefore possible
to know from the records available when the pay

However it is reported that some of his juniors like Mr Subramanian
were fixed in the revised
grade of 40-2-50 (Corresponding
to the revised grade of 40-2-50
sanctioned to the Invoice Inspector)

of this offence
could be fixed
in the revised
grade of the
Invoice Inspr
with more
weights

In this case it is obvious that - Sri
Venugopal, a Senior Official in the
Mf, was entitled to be fixed
in 40-2-50 by virtue of his
position in this cadre during
the General revision

Letting the views into consideration
the pay of Sri Venugopal should
have been fixed at Rs 48/- as
on 1/1/47 as indicated below
as against Rs 40/- in a lower
grade of 30-1-40-2-50 that
he has been fixed now (Rs 40
plus four increments at Rs 2/-
ie 48/- for his service of
23 years on 1/1/47)

Since Govt have further revised
the above scale of pay of the —
Invoice Inspector to Rs 50-3-80 /
E.B-4-100 on 9/0/50 no 210128-9
/CFT 49-54-12 dt 17/11/54

to 1147 he is entitled
to be fixed straight-away
in this new grade. All the
arrears already drawn by him
on account of the intermediate-
revision and further claims
thereof will have to be deducted
and only the net amount of
arrears due disbursed.

In this case, as the latest revision
of his scale itself is very beneficial
to him. There appears to be
no necessity to give him the
benefit of further averaging.
Hence I am to request you kindly
to take necessary action to
regulate his annual pay in
the revised grade in accordance
with the provisions of MSR (Article 93)

Sir,

Subject:- Reversion of Sri T.W. Venugopal from the Food
Supply Department to the Mysore City Municipality - Fixation of his pay.

-1-

With reference to the correspondence resting with your letter no. C 8 L.R. 83/54-55 dated 17-8-1955, on the above subject, I am directed to state that it is seen from the file of papers that Sri T.W. Venugopal was appointed to act as Invoice Inspector on Rs. 35/- in grade 30-F-40 with effect from 3-6-1942 in the Mysore City Municipality. While he was holding this appointment, he was transferred to the Food Supplies Department with effect from 12-8-1943, O.O.D. He was reverted to his original municipal service with effect from 1-4-1954, from the Food Supplies Department. In the meanwhile revision of scales of pay were ordered by Government. It is reported that while he was in Food Supplies Department he did not get his increments sanctioned. It is not possible to deduce the tenure in which Sri T.W. Venugopal held the appointment of the Invoice Inspector in the Mysore City Municipality while he was on other duty in Food Supplies Department in the absence of the graduation list. It is not therefore possible to know from the records available whether the pay of this official could be fixed in the revised grade of the Invoice Inspector with due weightage. However it is reported that some of his juniors like Sri Sulamankhan, were fixed in the revised grade of 40-2-50 (corresponding to the revised grade of 40-P-50 sanctioned to the Invoice Inspectors). In this case it is obvious that Sri Venugopal, a senior Official in the Municipality was entitled to be fixed in 40-2-50 by virtue of his position in this cadre during the general revision.

(through the President)

Sir,

Subject:- Reversion of Sri T.W Venugopal from the Food
Supply Department to the Mysore City Municipality - Fixation of his pay.

-1-

With reference to the correspondence resting with your letter no. C S : M. 83/54-55 dated 17-3-1955, on the above subject, I am directed to state that it is seen from the file of papers that Sri T.W Venugopal was appointed to act as Invoice Inspector on Rs. 35/- in grade 30-2-40 with effect from 3-6-1942 in the Mysore City Municipality. While he was holding this appointment, he was transferred to the Food Supplies Department with effect from 12-8-1943, C O D. He was reverted to his original municipal service with effect from 1-4-1954, from the Food Supplied Department. In the meanwhile revision of scales of pay were ordered by Government. It is reported that while he was in Food Supplies Department he did not get his increments sanctioned. It is not possible to deduce the tenure in which Sri T.W. Venugopal held the appointment of the Invoice Inspector in the Mysore City Municipality while he was on other duty in Food Supplies Department in the absence of the graduation list. It is not therefore possible to know from the records available whether the pay of this official could be fixed in the revised grade of the Invoice Inspector with due weightage. However it is reported that some of his juniors like Sri Sulamankhan, were fixed in the revised grade of 40-2-50 (corresponding to the revised grade of 40-2-50 sanctioned to the Invoice Inspectors). In this case it is obvious that Sri Venugopal, a Senior Official in the Municipality was entitled to be fixed in 40-2-50 by virtue of his position this cadre during the general revision.

Taking this view into consideration the pay of Sri V. [redacted] should have been fixed at Rs. 48/- as on 1-1-1947 as indicated below as against Rs. 40/- in a lower grade of 30-1-40-2-80 [redacted] he has been fixed now, Rs. 40/- plus four increments at Rs. i.e., Rs. 48/- for his service of 23 years on 1-1-1947).

Since Government have further revised the above scale of pay of the Invoice Inspector to Rs. 50-3-80/M.B.4-100 in Government Order No.L.10128-9/C.M.49-54-12 dated 17-11-1954 with effect from 1-1-1947, he is entitled to be fixed straight away in this new grade. All the arrears already drawn by him on account of the intermediate revision and further claims thereon will have to be deducted and only the net amount of arrears due, disbursed.

In this case, as the latest revision of his scale itself is very beneficial to him there is no necessity to give him benefit of further weightage. Hence I am to request you kindly to take necessary action to regulate his initial pay in the revised grade in accordance with the provisions of M.B.R. (Article 93).
